Support the modern academic expectations of students and faculty

Academic Complete meets the evolving expectations of modern students and faculty by supporting curriculum needs, aligning with graduation trends, and staying ahead of emerging fields. With a team of dedicated in-house librarians, we continuously add new titles to ensure your collection remains current, relevant, and inclusive of today's academic needs.

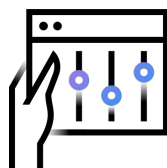

With one affordable subscription, Academic Complete offers unlimited access to thousands of DRM-free titles, providing seamless, user-friendly access to authoritative and award-winning content. It's the dependable solution for libraries looking to support research and learning in an ever-changing academic landscape.

Extensive coverage

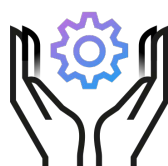

Seamless access to a massive, affordable collection of cross-disciplinary ebooks with unlimited, multiuser access. Students enjoy powerful research tools, DRM-free chapter downloads and fresh updates every quarter—handpicked for quality and relevance by our in-house librarians.

Drive usage

High-demand, award-winning titles that align with curricula, emerging programs, and graduation trends. With analytics tools, the Books Display Widget, and select features from Syndetics Unbound, you'll boost library usage and make discovery easier than ever.

Built for research

The award-winning Ebook Central platform is built for accessibility and flexibility from the ground up. This subscription offers comprehensive coverage, anytime-anywhere access, and smart tools to help users evaluate sources and uncover new research connections.

What sets us apart?

Aggregation at its best

Ensure your content is timely and relevant with expert curation by our team of in-house librarians. Subscriptions offer easy access to a universe of award-winning titles from popular academic publishers and university presses.

Stress-free workflows

Avoid the hassle of jumping between multiple systems and platforms. When your content and tools all work together, it saves time for librarians, faculty and students to simplify teaching, learning, and research.

Award-winning user experience

Discover, evaluate, and access titles easily and efficiently with the intuitive search and user-centered design of the award-winning Ebook Central platform. 100% ASPIRE Gold score for accessibility for four years.

Support every step of the way

Get support from partners who understand your needs better than anyone else and can help you every step of the way. Our goal is to ensure you are maximizing the investment you've made.

"Academic Complete is at the core of our collection strategy for ebooks."

- Karl Stutzman, Director of Library Services
