

# Canadian Newsstream Collection

Access to Canadian news content with extensive archive

**CANADIAN NEWSSTREAM COLLECTION** provides access to over 700 print, digital, and broadcast sources, combining Canadian Major Dailies with leading publications across provinces and territories. With an extensive archive from the 1980s to current coverage, researchers gain insights into current events, provincial developments, and societal trends.

## PREMIER CANADIAN SOURCES

Features content from Canadian Major Dailies and The Canadian Press including titles such as *The Globe and Mail*, *National Post*, *Toronto Star*, *Montreal Gazette*, and *Ottawa Citizen*.

## MULTI-FORMAT

Broad news coverage spanning print newspapers, online news sites, and media transcripts.

## RESEARCH TOOLS

Leverage ProQuest Research Assistant, an AI-powered tool that identifies document takeaways and suggests next research steps, plus detailed indexing, citation tools, and multilingual translation options.

---

*ProQuest has built the world's most comprehensive news collection for libraries by partnering with respected global publishers. ProQuest News stands as a beacon of verified information in today's complex media landscape, providing researchers access to authenticated, primary source content from today back to the 1700s. As crucial content supporting all disciplines, news delivers trusted coverage that often serves as the first or only documentation of events.*

The screenshot shows the 'Canadian Newsstream Collection' website. At the top, there are navigation links: 'Basic Search', 'Advanced Search', 'Publications', and 'Change databases'. Below these is a large search bar with the placeholder text 'Enter search terms...' and a magnifying glass icon. To the left of the search bar is a checkbox labeled 'Full text'. To the right is a link for 'Search tips'. Below the search bar, there is a paragraph of text: 'This database offers unparalleled access to the full text of over 400 Canadian news sources from Canada's leading publishers. This full text database includes the complete available electronic backfile for most newspapers, providing full access to the articles, columns, editorials and features published in each. Most titles are updated daily and some backfiles date as far back as the late 1970s.' Below this text is a link 'View title list'. To the right of this text is a section titled 'Want to Learn More?' with a list of options: 'Search the online Help', 'Discover answers to common questions at ProQuest's Product Support Center', and 'Contact Support if you need further assistance.' Below this is a 'Search tip' section with the text: 'By default, we will look for documents with all the terms entered.' To the left of the search bar, there is a section titled 'Subject coverage' with a list: 'Canadian news'. To the right of the search bar, there is a section titled 'Also part of' with a list: 'Canadian Newsstream Collection can also be searched as part of: ProQuest Central, Global Newsstream Collection, ProQuest Central Student, ProQuest One Community College, ProQuest One Academic'.

## Canadian Newsstream Collection is included in Global Newsstream Collection
