# Books Without Boundaries

## 185,000 DRM-Free Titles Now on Ebook Central

**NO LIMITS. NO RESTRICTIONS. ALL-ACCESS.** ProQuest is committed to making content easily accessible to all users. That's why Ebook Central now includes digital rights management (DRM)-free books, opening a new realm of accessibility for researchers.

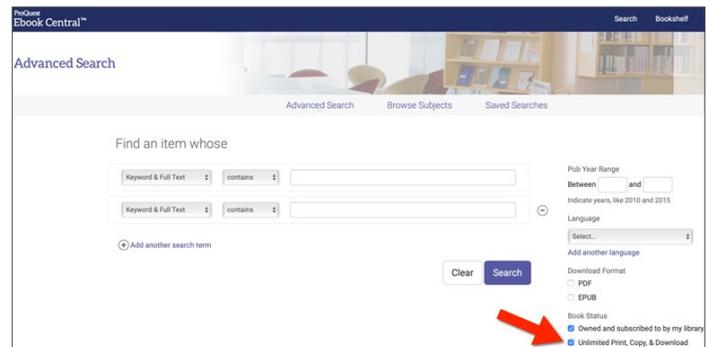

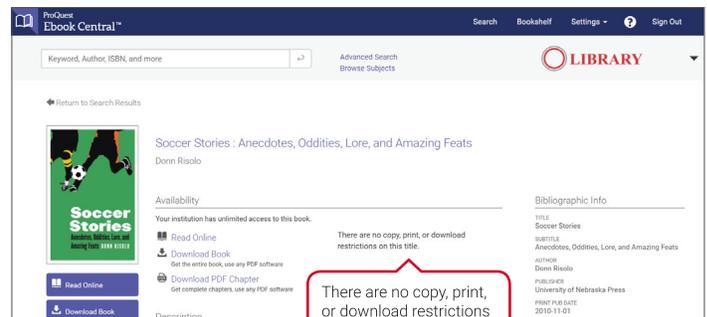

Today, you'll find a growing list of DRM-free titles from 317 academic publishers – all available on any device without print, copy or download restrictions. You'll even find dozens of publishers offering their entire Ebook Central catalog without DRM restrictions.

### WHEN YOUR PATRONS NEED AN OPEN BOOK...

- Ebook Central's DRM-free content is available without download, print, copy or paste limitations. Patrons can download an entire title or chapter with a few clicks.
- Researchers can use a title for the length of an entire project – access won't expire in the middle of their work.
- DRM-free content is available on personal devices - including laptops, tablets and Kindles - that support PDF or EPUB. You can even transfer titles between devices.

### A FRICTION-FREE RESEARCH EXPERIENCE

- **Download DRM-free chapters and sub-chapters** directly from the table of contents on the redesigned book detail page. 95% of all titles have DRM-free chapter-level downloads.
- **Quickly determine what's DRM-free:** Check the "Unlimited copy, print & download" box to access a filtered list of DRM-free ebooks available to your library.
