Looking for the greatest value? Choose Academic Complete.

For the most comprehensive ebook subscription, choose Academic Complete, our flagship product trusted by libraries around the globe. Focused on quality over quantity and supporting the evolving needs of researchers, Academic Complete offers over 225,000* multi-disciplinary ebooks from renowned publishers across all major disciplines and emerging areas of study, including topics relating to Diversity, Equity and Inclusion. It also offers complimentary technologies for driving usage and discovery, including Syndetics Unbound enrichment elements and the Book Display Widget.

"Academic Complete helps us to provide more ebooks for undergrads in subject areas in which we might not always choose to purchase ebooks. The interface has always been the simplest to use, and the one that our users seem to like the most. Also, the multiple users for every title is invaluable - we never have to worry about turnaways."

- Anne Cerstvik Nolan, Electronic Resources Librarian, Brown University Library
