

University Press Ebook Subscription

A focused, critical mass of University Press content at the right price

The University Press Ebook Subscription offers a carefully curated collection of scholarly content that facilitates all stages of the research workflow. Hand-selected by ProQuest's team of in-house librarians, the titles in this collection carry the high standards of affiliated institutions as well as the rigorous peer review, deep scholarship and influential connections that define their value.

Representing University Presses from across the globe, the subscription offers patrons the ability to take a deeper dive into popular and niche topics across History, Literature, Social Sciences, Fine Arts, Political Science, Religion, Philosophy and more.

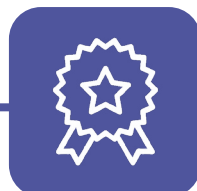

MULTI-DISCIPLINARY

Over **34,000*** multi-disciplinary titles for all stages of the research journey.

RENOWNED CONTENT

Content from over **200** world-renowned University Presses in one place.

EASY TO USE
