GRADES 4-12

CultureGrams®

Help students empathize with and learn about peers in other countries

An authoritative source for information on daily life, customs, geography, history, celebrations, and holidays of the major world cultures. CultureGrams draws on information provided by natives and long-time residents of 200+ countries and territories to help students understand how life in other nations compares with their own daily experience.

SIRS® Discoverer™

Where research starts

Develop research, writing, language, and computer skills with this multidisciplinary database of editorially selected newspaper, magazine, and reference book content. Specifically designed for younger learners, its content supports common assignments in elementary and middle school such as the argumentative essay, the animal report, famous person biography and the country and state report.

Schools & Educators Complete

An extensive K-12 ebook subscription with a wealth of content for students and educators

This robust collection of 17,000+ ebooks for K-12 students and teachers offers unlimited, multi-user access to ebooks that support learning in subjects like history, science, technology, literature, education and more. Teachers can also benefit from essential resources for teaching, curriculum planning, and professional development.

GRADES 6-12

SIRS® Issues Researcher™

Helps novice researchers understand major social issues

With SIRS Issues Researcher, students investigate enduring and emerging controversies to develop the critical thinking skills they need to succeed in college. The Leading Issues pro/con framework helps students pick a social issue and understand its origins, related issues, global perspectives, and essential questions under debate.

eLibrary®

Simplifies the research process

eLibrary is an aggregated collection of periodicals, books and multimedia, selected with novice researchers in mind. Its 10,000+ editor-created Research Topic pages deliver essential, authoritative content about people, places, historical events and eras to help students understand the context of a topic.

ProQuest Learning: Literature

A robust solution for the study of diverse authors and their works

Introduce high school students to poets, playwrights and novelists from diverse backgrounds through journals, magazines, and books from ProQuest Learning: Literature. This aggregated database offers current, authoritative coverage of famous and lesser-known writers, as well as much-studied literary movements.

History Study Center

Authoritative source for the study of history from ancient times through today

This curated collection of full-text journals, popular magazines and primary source documents covers a range of global historical topics and themes spanning current and archival secondary sources. Users can explore primary source documents from three U.S. Presidential Administrations, offering insights into 20th Century landmark events that reverberate into the current day.

PBS Video Collection: Fifth Edition

Provide access to one of television's most trusted networks

This collection of 1,600+ streaming videos provides an exceptional range of content with the most valuable video documentaries and series from PBS. From science to history, art to Shakespeare, diversity to business & economics, and more, the PBS Video Collection gives students and teachers access to one of television's most trusted networks.

COLLEGE READINESS

[ProQuest Central™ Student](#)

Curated for K12 from our flagship resource ProQuest Central

Designed to support high school and college-prep programs with instant access to thousands of journals, magazines, newspapers, videos, and reports, ProQuest Central Student is a multidisciplinary resource with coverage of 100s of subjects including business, entrepreneurship, current events, education, health, literature, sciences, humanities, and social sciences. Current full text for papers like *The New York Times* keep research up-to-date as news occurs.

STREAMING VIDEO

[Academic Video Online](#) (for High Schools only)

Streaming video from A-Z

Streaming video encourages critical thinking and brings classroom content to life. With 85,000+ videos across most subjects, an Academic Video Online subscription has something for everyone — students, teachers, administration and counselors. Enhance teaching and learning with streaming videos from 60 MINUTES, CBS News Archives, PBS, BBC, A+E Networks' HISTORY®, Encyclopedia Britannica, Crash Course, Royal Shakespeare Company and more.

[Theatre Performance Video Collection: K-12 Schools](#)

Bring texts to life through streaming video to aid the analysis of performances, play texts, and literary works

Experience world-class theatrical video performances of plays and literary works courtesy of the U.K.'s National Theatre, Royal Shakespeare Company (RSC), and British Broadcasting Corporation (BBC). This collection features contemporary interpretations of the classics, and supplementary materials, such as costume designs and scripts from the National Theatre, and teacher packs from the RSC.

NEWS

Current News

[Global Newsstream Collection](#)

Premier source for contemporary news around the world

Provides students and teachers with access to current news from around the world. This resource includes nearly 2,000 trusted sources such as newspapers, videos, and websites from today back to the 1980s. Students can explore major publications like *The New York Times* and *The Guardian* to support research projects and stay informed about global events.

[U.S. Newsstream Collection](#)

Premium access to U.S. national and regional news content

Included in Global Newsstream Collection

Gives students and teachers access to 1,300+ trusted American news sources from the 1980s to today. This collection includes major U.S. newspapers, regional news, and Hispanic publications in print, digital, and broadcast formats—perfect for research projects, current events discussions, and media literacy activities.

[U.S. Major Dailies](#)

Included in U.S. Newsstream Collection

Access to the five most respected U.S. and regional newspapers — *The New York Times*, *The Wall Street Journal*, *The Washington Post*, *Los Angeles Times*, and *Chicago Tribune*.

Historical News

[ProQuest Historical Newspapers: Global](#)

First-hand reporting capturing world events and local perspectives

Resource that helps students explore history through original newspaper pages from the 1700s to today. This collection features over 200 important U.S., Canadian, and global newspapers, including Black and Jewish publications, showing students how historic events were actually reported and how different communities experienced these moments.

[ProQuest Historical Newspapers: U.S. Metro Collection](#)

America's most influential metropolitan newspapers

Included in ProQuest Historical Newspapers: Global

Gives students access to 17 of America's most important city newspapers, including *The New York Times*, *The Wall Street Journal*, *The Washington Post*, *Chicago Tribune*, *The Boston Globe*, *The Baltimore Sun*, and *Newsweek*. Students can read original newspaper pages from each publication's first historic issue through current week, making history come alive for classroom research and projects.

[ProQuest Historical Newspapers: U.S. Major Dailies](#)

Included in ProQuest Historical Newspapers: U.S. Metro Collection

Access to the five most respected U.S. and regional newspapers — *The New York Times*, *The Wall Street Journal*, *The Washington Post*, *Los Angeles Times*, and *Chicago Tribune*.

BOOKS

[Reference Ebook Subscription](#)

An authoritative, user-friendly reference point for teachers and students

With 1,000+ high-quality titles, this subscription makes popular handbooks, encyclopedias, manuals, guides, and dictionaries available with cross-curriculum coverage starting at the high school level.

[College Complete](#)

62K+ in-demand ebooks

Explore a wide range of academic subject areas to facilitate teaching, learning, and research. It delivers access to ebooks in traditional disciplines like business, management and nursing, emerging areas like artificial intelligence (AI) and entrepreneurship, and topics to support in-demand trade jobs and skills like advanced manufacturing, engineering, construction and healthcare.

DISCIPLINE FOCUSED SUBSCRIPTIONS

[ProQuest One Sustainability](#)

Support your students to address the big challenges of our time

Designed to meet the growing demand for sustainability curricula, this resource includes scholarly journals, full-text case studies, reports, trade journals, ebooks and magazines. Its research experience is structured around sustainability's environmental, social and economic pillars, its key competencies and the United Nations Sustainable Development Goals (SDGs).

[ProQuest One Business](#)

Supporting business students on their path to success

Explore the business curriculum with scholarly journals, ebooks, market research, company reports, and global news from sources like *The Wall Street Journal* and *The Economist*. Its multimedia resources, such as streaming videos and expert-curated datasets, and industry insights from sources like J.P. Morgan and Fitch Solutions, aid tasks like financial analysis, market trend research, and industry comparisons.

[ProQuest One Education](#)

Authoritative, multiformat content on an interface designed for the discipline

This resource offers the multiformat content needed for studying and researching education. With content intuitively grouped together, its unique interface aligns with common areas of research and study. Combined with specialized indexing based on the ERIC thesaurus, users will find information quickly and precisely.

[ProQuest One Psychology](#)

An extensive, user-friendly resource for researching, teaching, and studying psychology

Designed to meet the needs of psychology and counseling curricula across research, teaching, and learning, this resource reimagines the research experience for the discipline, supporting multiple learning styles with authoritative multiformat content covering psychological conditions, therapy, research concepts, tests and more.

[ProQuest One Literature](#)

Extensive, diverse destination for the study of Literature

Access primary literary texts, ebooks, reference sources, full-text journals, videos, and more, providing historical and contemporary works by celebrated and lesser-known authors worldwide. The database includes 3 million citations from journals, monographs, and 500,000+ primary works, including rare texts, and non-traditional sources such as comics and author readings.

[Literature Online](#)

Literary works, criticism, and references for the study and teaching of English literature

This resource combines the texts of 355,000+ literary works (spanning the 8th century to the present day that are enabled with specialist genre indexing) with a vast library of key criticism and reference titles for the study and teaching of literature in English.

[ProQuest One History](#)

Essential resources for historical research

Offers access to authoritative primary sources, scholarly articles, and documents that cover key events, figures, and time periods, from 1450 to the present. With content sourced from renowned institutions, museums, and archives worldwide, this resource spans global regions and offers valuable materials for researching social, political, and economic history across centuries.

[U.S. History Collection](#)

Provides centuries of unique insights into North America's peoples and conflicts

This wide-ranging variety of primary sources from pivotal periods in North American history includes firsthand accounts, letters, diaries, and video documentaries that document the early colonial period, the Civil War, the Gilded Age, and early immigrant experiences. This archive provides in-depth insights into the people, social dynamics, and political attitudes that shaped North America.

[ProQuest One Black Studies](#)

For research and learning on every facet of Black history and culture

This collection combines primary and secondary sources, including leading Black Historical Newspapers, archival documents and collections, key government materials, videos, writings by major Black intellectuals and leaders, scholarly journals, and essays by top scholars in Black Studies. The database includes user-friendly features such as timelines, topic pages, and collection pages for easy navigation and discovery.

[ProQuest U.S. Congressional Collection](#)

U.S. legislative & presidential primary sources

Access to important U.S. government documents from 1789 to today. Students and teachers can find official records including laws, hearings, reports, and presidential materials. The collection includes helpful search tools, topic pages, and information about Congress, perfect for history projects, civics classes, and research assignments.

[Global & International Studies Collection](#)

An essential resource that fosters a deeper understanding of historical and modern global affairs

Explore this collection of resources designed to deepen understanding of critical social, political, and global themes. This interdisciplinary collection connects past and present challenges to inform today's pressing issues with vast primary sources and secondary materials including government documents, archival historical documents, periodicals, news scripts, and video footage.
