

What can the News tell us about ourselves and our world?

Everyone wants to study the News – there is so much that it can tell us about current events, society, and social behavior. ProQuest TDM Studio allows you to access over 3,000 key newspapers such as the *Chicago Tribune*, *PR Newswire*, *LA Times*, and many more that have already been licensed and cleared for text and data mining (TDM). It is a development environment for coders as well as a set of easy tools for the novice, both gain instant access to content already included in your library's subscriptions.

Python or R coding ability? **Use the Workbench.**
